## AE001 / ADVERSE EVENT REPORT

### Instrument Definition

|                                        |                      |
|----------------------------------------|----------------------|
| Instrument Name:                       | AE001                |
| Instrument Title:                      | ADVERSE EVENT REPORT |
| SAS Instrument Name:                   | AE001                |
| Description:                           | AE                   |
| Version:                               | 0.11                 |
| Status:                                | Active               |
| Read Only:                             | Disabled             |
| Available on Mobile:                   | Disabled             |
| Sensitive Data:                        | Disabled             |
| Enable form as Common:                 | Disabled             |
| Enable within-form Subject Navigation: | Disabled             |

| C2321008_V6.0: AE001 ADVERSE EVENT REPORT (AE) [Version: 0.11] |                                                                                       |                                                                                                                                                                                                                                                                 |

## Instruments

### EC001\_4 / TREATMENT - BLINDED THERAPY

#### Instrument Definition

|                                        |                             |
|----------------------------------------|-----------------------------|
| Instrument Name:                       | EC001_4                     |
| Instrument Title:                      | TREATMENT - BLINDED THERAPY |
| SAS Instrument Name:                   | EC001_4                     |
| Description:                           | TRT                         |
| Version:                               | 0.11                        |
| Status:                                | Active                      |
| Read Only:                             | Disabled                    |
| Available on Mobile:                   | Disabled                    |
| Sensitive Data:                        | Disabled                    |
| Enable form as Common:                 | Disabled                    |
| Enable within-form Subject Navigation: | Disabled                    |

## Instruments

### EC001\_5 / PK DOSING - BLINDED THERAPY- CLINIC MORNING DOSE

#### Instrument Definition

|                                        |                                                  |
|----------------------------------------|--------------------------------------------------|
| Instrument Name:                       | EC001_5                                          |
| Instrument Title:                      | PK DOSING - BLINDED THERAPY- CLINIC MORNING DOSE |
| SAS Instrument Name:                   | EC001_5                                          |
| Description:                           | PK CLINIC                                        |
| Version:                               | 0.3                                              |
| Status:                                | Active                                           |
| Read Only:                             | Disabled                                         |
| Available on Mobile:                   | Disabled                                         |
| Sensitive Data:                        | Disabled                                         |
| Enable form as Common:                 | Disabled                                         |
| Enable within-form Subject Navigation: | Disabled                                         |

## EG001\_3 / LOCALLY READ ECGs REPEATING

### Instrument Definition

|                                        |                             |
|----------------------------------------|-----------------------------|
| Instrument Name:                       | EG001_3                     |
| Instrument Title:                      | LOCALLY READ ECGs REPEATING |
| SAS Instrument Name:                   | EG001_3                     |
| Description:                           | ECG UNPL                    |
| Version:                               | 0.4                         |
| Status:                                | Active                      |
| Read Only:                             | Disabled                    |
| Available on Mobile:                   | Disabled                    |
| Sensitive Data:                        | Disabled                    |
| Enable form as Common:                 | Disabled                    |
| Enable within-form Subject Navigation: | Disabled                    |

|                                                                                     |                                                                         |                        |

## Instruments

### LB001\_13 / LAB CHEMISTRY - TESTOSTERONE

#### Instrument Definition

|                                        |                              |
|----------------------------------------|------------------------------|
| Instrument Name:                       | LB001_13                     |
| Instrument Title:                      | LAB CHEMISTRY - TESTOSTERONE |
| SAS Instrument Name:                   | LB001_13                     |
| Description:                           | LAB TESTO                    |
| Version:                               | 0.6                          |
| Status:                                | Active                       |
| Read Only:                             | Disabled                     |
| Available on Mobile:                   | Disabled                     |
| Sensitive Data:                        | Disabled                     |
| Enable form as Common:                 | Disabled                     |
| Enable within-form Subject Navigation: | Disabled                     |

| Instrument Title:                      | LAB CHEMISTRY |
| SAS Instrument Name:                   | LB001_8       |
| Description:                           | LAB CHEM U    |
| Version:                               | 0.6           |
| Status:                                | Active        |
| Read Only:                             | Disabled      |
| Available on Mobile:                   | Disabled      |
| Sensitive Data:                        | Disabled      |
| Enable form as Common:                 | Disabled      |
| Enable within-form Subject Navigation: | Disabled      |

| C2321008_V6.0: LB001_8 LAB CHEMISTRY (LAB CHEM U) [Version: 0.6] |                                                                                  |                                                                                                                                                                                                                                                                   |

## Instruments

### LB001\_8\_1 / LAB CHEMISTRY - TESTOSTERONE

#### Instrument Definition

|                                        |                              |
|----------------------------------------|------------------------------|
| Instrument Name:                       | LB001_8_1                    |
| Instrument Title:                      | LAB CHEMISTRY - TESTOSTERONE |
| SAS Instrument Name:                   | LB001_8_1                    |
| Description:                           | LAB TESTOU                   |
| Version:                               | 0.5                          |
| Status:                                | Active                       |
| Read Only:                             | Disabled                     |
| Available on Mobile:                   | Disabled                     |
| Sensitive Data:                        | Disabled                     |
| Enable form as Common:                 | Disabled                     |
| Enable within-form Subject Navigation: | Disabled                     |

## Instruments

### R\_OMIC003 / RETAINED RESEARCH SAMPLE TRACKING

#### Instrument Definition

|                                        |                                   |
|----------------------------------------|-----------------------------------|
| Instrument Name:                       | R_OMIC003                         |
| Instrument Title:                      | RETAINED RESEARCH SAMPLE TRACKING |
| SAS Instrument Name:                   | R_OMIC003                         |
| Description:                           | BANKBIOS                          |
| Version:                               | 0.3                               |
| Status:                                | Active                            |
| Read Only:                             | Disabled                          |
| Available on Mobile:                   | Disabled                          |
| Sensitive Data:                        | Disabled                          |
| Enable form as Common:                 | Disabled                          |
| Enable within-form Subject Navigation: | Disabled                          |

## D\_SAE001 / SAE / REPORTABLE EVENTS

### Instrument Definition

|                                        |                         |
|----------------------------------------|-------------------------|
| Instrument Name:                       | D_SAE001                |
| Instrument Title:                      | SAE / REPORTABLE EVENTS |
| SAS Instrument Name:                   | D_SAE001                |
| Description:                           | SAE / REPORTABLE EVENTS |
| Version:                               | 0.7                     |
| Status:                                | Active                  |
| Read Only:                             | Disabled                |
| Available on Mobile:                   | Disabled                |
| Sensitive Data:                        | Disabled                |
| Enable form as Common:                 | Disabled                |
| Enable within-form Subject Navigation: | Disabled                |

|                                                                                                 |                                                                             |                        |
